

Colouring Concept

One of Honda's all-time best sellers around the world, the CG125 provides an attractive combination of ample power and excellent economy in a modern, versatile motorcycle that never goes out of style.

Its new colours for 1998 include a lively, attractive red that never fails to catch the eye and a bright, appealing blue that looks right at home in the city or the country.

Colours

- Magna Red
- Atessa Blue

New Features

- New colour variations.
