

PK50 WALLAROO STD/DX

Colouring Concept

The PK50 Wallaroo's unique moped/scooter design makes it a friendly little runabout for leisurely days on the beach or just darting around town to run a few light errands. Its large wheels ensure easy control and its spacious seat provides a comfortable mount for whatever jobs it's called on to do. The PK50 comes in a range of five

exciting colours for '99, including a dark, businesslike black, a light and energetic blue and a vivacious red for its Standard version.

Its Deluxe version features a seductively reflective metallic black and a luxurious metallic green that attracts admiring glances everywhere.

Its modern-looking cast aluminium double-vane three-spoke wheels are painted in silver for all variations.
