

# **2002 CR80R / CR80R2 PRESS INFORMATION**

As the smallest and lightest champions in Honda's dynamic CR family, the CR80R and longer-legged CR80R2 deliver the same big-time performance of their larger siblings. Specially designed with pro-class engines and chassis components to give younger riders a confident and capable first step into the exciting world of motocross competition, these two mini-racers put the accent on enjoyment while bringing the thrill of victory within easy reach.
