

2002 JAZZ PRESS INFORMATION

One look tells it all: Honda's stunning JAZZ is one of the most attractively styled new big scooters on the roads today. A crisp and modern-looking fun machine that totally redefines the style of urban transport for the dawn of the new century. Featuring large, comfortable proportions that provide an exhilarating ride, every detail is beautifully executed in the style of a high-performance sport sedan. Its compact, liquid-cooled single-cylinder engine puts out a breathtaking thrust of acceleration, accentuated by a unique, 3-stage 'Hyper Belcon' belt drive system. Its stopping performance is also enhanced by a Combined Brake System that complements rear brake operation with a measured degree of front brake input. And its spacious and superbly comfortable stepped seat conceals a broad carrying space that can hold helmet, briefcase and all sorts of daily essentials in. Offering lively performance and sporty style, the JAZZ might be just what you're looking for in an easy and fun way to get around.
