

2002 JAZZ ES-ABS PRESS INFORMATION

The JAZZ ES-ABS features all the superb, big scooter style and powerful performance of the standard JAZZ, but with the addition of a unique Antilock Brake System devised exclusively for scooter use. Working in close concert with the JAZZ's standard Combined Brake System, this smoothly responsive system ensure the easiest, most confident brake operation to be found in a scooter, not to mention most motorcycles. On top of this, the JAZZ ES-ABS also features Honda's advanced Energy Saving system, which reduces engine noise, emissions and fuel consumption by actually stopping the engine when idled for more than a few seconds, then automatically restarting the engine the very instant the throttle is turned to go again. Offering an unmatched combination of leading-edge technology and ultimate style, the JAZZ ES-ABS brings the fine quality and performance of a sport sedan to Europe's expanding world of scooter enjoyment.

Colours

- **Accurate Silver Metallic**
