

2002 SHADOW 125 PRESS INFORMATION

With its proud American Classic styling and generous proportions, the gorgeous Shadow 125 takes cruising to another level of comfort and style. Powered by a pulsating liquid-cooled V-twin engine that emits growling pulses of sound and the strongest sensations of torque in its class, the Shadow provides a satisfying, full-powered ride every day of the year. Its beautifully executed details include a wide fuel tank topped by a glittering chrome speedometer, wide handlebars and deeply valanced fenders draped over wide, wire-spoked wheels, all underlined by a beautifully chromed 2-into-1 exhaust system. For style, performance and all-day riding comfort, nothing beats the Shadow 125.
