

# **2002 VT1100C2 SHADOW AMERICAN CLASSIC EDITION PRESS INFORMATION**

Classic is as classic does, and nothing sets the pace of cruising better than Honda's very own VT1100C2 Shadow American Classic Edition. Calling to mind the simpler pleasures of days gone by, the A.C.E.'s curvaceous lines and glittering chrome show off a cleanly integrated look of custom style. From its beautifully sculpted big-bore V-twin engine—pounding out a soulful rhythm to keep time with the mood of the moment—to its elegantly curved fuel tank, deeply valanced fenders and wide-bodied wire-spoke chrome wheels that catch the eye of everyone it saunters past, the A.C.E gets right to the heart of the custom cruising experience, and makes every ride an experience you never want to end.
