

# **2003 DEAUVILLE PRESS INFORMATION**

The beautifully outfitted Deauville has been specially designed to give European riders a comfortable, convenient and remarkably versatile mount for everything from the drudgery of daily commuting to the shared adventure of a weekend's two-up touring around the Continent. Featuring sleek, fully integrated bodywork and panniers, an always-comfortable riding position, and the strong, assured power of its quiet and reliable liquid-cooled V-twin engine and shaft final drive, the Deauville brings a wide world of riding pleasure within easy reach. Other superb features include its confident, highly effective Combined Brake System, environmentally friendly low emissions and complete range of optional accessories designed to further extend the Deauville's—and your own—exciting riding possibilities.
