

2003 DYLAN 150 PRESS INFORMATION

The strikingly high-styled Dylan 150 offers a modern and sporty mount for the young and young at heart to zip around town, meet friends and get things done. Fun to ride and packed with attractive features, the Dylan 150 injects a lively bit of spice into daily errands and even commuting drudgery, while offering ample proportions and comfort to keep your level of enjoyment riding high the whole day through. Built on a solid, light-handling steel tube frame and powered by a quiet and efficient 153cc liquid-cooled 4-stroke single-cylinder engine featuring a clean-burning Air Induction system and catalytic converter for environmentally friendly emissions, the Dylan 150 provides strong, economical and dependable operation for years of daily travel needs. And with a spacious storage compartment located under its locking tandem seat and a handy carrying rack behind it, the Dylan 150 also provides an easy way to transport your daily necessities and do a bit of light shopping when the need arises. Style, convenience and loads of fun, the Dylan 150 is all you could ask for in a city scooter, and lots more.
