

2003 GOLD WING PRESS INFORMATION

There's simply nothing on the road like the majestic Gold Wing for providing the ultimate in motorcycle touring comfort and quality. Featuring a lightweight and rigid twin-spar aluminium chassis that gets its impressive surge of power from a smoothly responsive 1800cc fuel-injected flat-six engine, the Wing sets the standards for long-distance touring luxury and convenience with effortless, sporty handling and a breathtaking blast of roll-on performance the likes of which must be experienced to be believed. With its remarkable carrying capacity, spacious accommodations for two, and such high-tech features as motor-assisted preload adjustment, push-button electric reverse, cruise control, an RDS radio entertainment system and much, much more, the Gold Wing makes long-distance touring one of the most comfortable, enjoyable, and ultimately satisfying experiences to be found on wheels.
