Without a doubt, the Honda JAZZ is one of the sportiest and most attractively styled scooters on the roads today. Featuring comfortably spacious proportions highlighted by the sharp lines of its crisply aggressive bodywork, the JAZZ provides an exhilarating big scooter ride. Its compact, liquid-cooled single-cylinder engine puts out an exciting thrust of acceleration, while its stopping performance is enhanced by a Combined Brake System that complements rear brake operation with a measured degree of front brake input for assured control. Built to carry two in style and comfort, its wide, plush stepped seat conceals a big carrying space that can hold a helmet, small briefcase and all sorts of daily essentials.
