

2003 NX650 DOMINATOR PRESS INFORMATION

One of Honda's most enduring on-road/off-road fun packages, the long-running Dominator continues to attract dual-sport lovers with its distinctive good looks and robust performance. Its big 650cc RFVC single-cylinder engine delivers a breathtaking blast of responsive performance at the first twist of its throttle, while its long-travel suspension is built to soak up the rugged trails that lead to the good times. The Dominator's distinctive integrated front cowl and fuel tank carry the look of a hardened desert racer, and provide a comfortable level of wind protection to match its 'go-anywhere' look of adventure.
