

2003 VT750C2 SHADOW PRESS INFORMATION

The gorgeous VT750C2 Shadow makes any day just right for getting out in the wind and enjoying the world drifting by. Its traditional-looking American Classic styling provides a taste of earlier times, and its cleanly sculpted liquid-cooled V-twin engine puts out a satisfying rumble that never grows old. A wide fuel tank, deeply valanced fenders and sparkling wire wheels complemented by just the right touches of chrome create a look of timeless style, while the Shadow's low and wide handlebars and saddle-type seat provide a comfortable ride for hours on end, accompanied by the throaty percolations of that dreamy V-twin. Alone or with a friend, there's no better way to enjoy the easy comforts of riding than pleasure cruising aboard the Shadow.
