

2003 VARADERO 125 PRESS INFORMATION

Like its mighty namesake, the Varadero 125 really looks the part of a world traveller, with aggressive 'Adventure Sport' styling and a full-powered 4-stroke V-twin engine that's ready, willing and able to bring it quickly up to speed. Built to larger proportions than most bikes in its class to carry two in comfort, the Varadero 125 provides a thoroughly enjoyable riding experience for riders of all ages and sizes. Its wide-coverage, aerodynamic fairing provides ample protection against the wind at speed, and its big fuel tank ensure long days of riding pleasure between fill-ups. Riding on sporty 3-spoke wheels stopped by responsive disc brakes, and featuring a trick high-mounted exhaust system, the Varadero 125 makes every ride an exciting adventure to look forward to.
