

2006 DYLAN 125 DYLAN 150 PRESS INFORMATION

The exciting Dylan is a sharp-looking and sporty-handling runabout that brightens up every day with its swift, sure performance and carefree riding ease. With full-sized proportions for full-bodied comfort, the Dylan's power comes on smooth and strong from a compact and highly reliable liquid-cooled 4-stroke engine that starts right up at the touch of a button. Wide, grippy tyres mounted on cool-looking aluminium wheels are ably stopped by a responsive front disc brake and rear drum.

The Dylan is built to carry one or two in effortless comfort, and really sets the pace when scooting across town or on to greater fun ahead. Got other things to carry with you? Check under its comfy seat to find room to carry most of your travelling essentials, and what won't fit there can be tide down to its convenient moulded rear carrier. What more could you want in such a lively looking and fun handling urban scooter? Well, you could start with the keys.

For fully licensed riders, the larger-displacement Dylan 150 provides an extra boost in performance that makes it a perfect choice for those who want to maximise their riding enjoyment.
