Competition Rules

The Saddle Sore Competition is open to all paid-up members of the Honda Owners Club (GB), attending an event on a motorcycle or scooter.

All events attended must be identified by an entry in the Event Log overleaf and signed by the event organiser or co-ordinator.

On attending an event, there is no requirement for a competitor to remain for the full duration of the event.

Completed event logs must be received by the Saddle Sore Co-ordinator, by midnight on **30th September 2019** - any entries received after this time will not be valid.

The winner will be member scoring the most points in each category. In the event of a draw, the prize for that category will be shared.

Mileage will be calculated, by the Saddle Sore Co-ordinator, from the entrant's home post code to the post code of the event. It is

therefore essential that the event post code is added on the Event Log. Entries without either of these post codes will not be calculated.

Qualifying events are advertised in Golden Wing, on the HOC web site and social media.

Bonus Destinations: Take a selfie in front of, or at, the destination and then post it on the Honda Owners Club Facebook page or e-mail directly to sss@hoc.org.uk will be sufficient proof.

The decision of the Saddle Sore Co-ordinator is final in all matters regarding the competition.

Points will be awarded as follows:

500cc and under	110 points per event 1 point per mile
Over 500cc	100 points per event 1 point per mile
