Not long to go now until the Honda Owners Club Classic Show at Sammy Millers on 21st August 2022 10am-3pm

We are so happy to announce that we will have Allen Millyard and Guy Willison in attendance as well as Honda UK with some bikes possibly an NT1100, a 2022 Fireblade and a 5Four.

We will also have on display one of the first motorcycles fully designed and developed by Honda - the 'Dream' D-type motorcycle (1949)—*this is one of only 2 known to be in existence.*

Along with our usual concours which is open to members and non members and this year includes a special Guy Willison award for best classic Honda ridden by a female and best classic Honda ridden by a young rider (under 25) we will have Sammy showing off a few of his bikes and giving tours of his workshop.

All bikers welcome but only Hondas are eligible to enter in the concours—awards for members & non members.

It's going to be a cracking day !
