WOULD YOU LIKE TO HELP US

For all these shows we rely on volunteers to help move display equipment, man the stand and provide display bikes - if you would like to get involved with our friendly Classic Team please contact us at classic@hoc.org.uk.

We also would love to have some Classic Meets organised around the country but would need members to organise - it could be a coffee meet at a cafe or a pub lunch meet or even a ride out for all those with classic bikes. Again - please contact us if you can help.
