COMPETITION RULES

The Saddle Sore Competition is open to all paid-up members of the Honday Owners Club (GB) attending an event on a motorcycle or scooter.

All events attended must be identified by an entry in the Event Log overleaf and signed by the event organiser or co-ordinator.

On attending an event there is no requirement for a competitor to remain for the full duration of the event.

Completed event logs must be received by the Saddle Sore Co-ordinator by midnight on 30 September 2027. Any entries received after this time will not be valid.

The winner will be the member scoring the most points in each category. In the event of a draw the prize for that category will be shared.

Mileage will be calculated by the Saddle Sore Co-ordinator, from the entrant's home post code to the event post code. It is therefore essential that the event post code is added on the Event Log. Entries without either of these post codes will not be calculated.

Qualifying events are advertised in Golden Wing, on the HOC web site and social media.

BONUS DESTINATIONS

Take a selfie in front of, or at, the destination and then post it on the HOC Facebook page or email directly to *sss@hoc.org.uk*, this will be sufficient proof. Please add the date in the signature/date of visit field.

The decision of the Saddle Sore Co-ordinator is final in all matters regarding the competition.

Points will be awarded as follows:

500cc and under	130 points per event 1 point per mile
Over 500cc	100 points per event 1 point per mile
